improved situation. After taking into account the availability of power in Sharavathi and the other generating stations in the State and also the imports from Kerala and Maharashtra, it has been decided to totally remove the power cuts on all catagories of consumers. This total removal of the power will be effective upto the end of August 1980. The power situation will, however, be under review from time to time.

SRI. D. DEVARAJ URS.—May I know the level of water that has been filled up in the Linganamakki Reservoir ?

SRI R. GUNDU RAO.—It is 1797 ft.

SRI D. DEVARAJ URS.—That is alright.
